

Includes students from the following counties: ADAMS, BROWN, CLERMONT, CLINTON, FAYETTE, HIGHLAND and SCIOTO

SSCC announces honors lists for the summer semester

Southern State Community College has released its Student's List

With two campus locations -- Brown County Campus Hillsboro -- Southern State Community College provides a supportive community experience. The College also has an airframe, and powerplant at Laurel Oaks in Wilmington.

Delivering on its mission to provide an affordable, quality education, Southern State offers associate degree programs, certificate programs, and completion through on-site partnership agreements (ASPIRE), and workforce training programs. Southern State is committed to you. To learn more, please call us at 800-628-7722.
